This limited access, limited enrollment program is designed for the Licensed Practical Nursing (LPN) who wants to become a professional nurse and meet the education requirements for the RN license exam.

Admissions requirements include: A valid certificate of LPN licensure and evidence of successful completion of an approved practical nursing program; grades of “C” or better in ALL prerequisite course work listed below; and official transcripts indicating that all prerequisite course work has been completed as required.

All selected applicants are required to submit a completed FDLE background check and a drug screen.

Entrance Requirements

Once the student successfully completes the first semester of the second year of the ADN program & is eligible to continue for the final semester of the program (both academically and by the standards of the ADN program), the student must request an Articulation Analysis Form be completed by the Registrar; this will indicate the course equivalences for the LPN articulation & credits to be posted to the student transcript. Upon successful completion of all of the above criteria, the student will receive credits equivalent to first year NUR courses at Chipola College. A grade of “P,” for passing, will be assigned to all course equivalencies; no grade points will be assigned for “P” credits.

The application deadline for Summer II, 2012 is May 15, 2012. All prerequisite coursework must be completed and all supporting documents on file by deadline.

For employment opportunities and other information, please visit The Occupational Outlook Handbook website.

**PREREQUISITE COURSE WORK**—All courses must be completed with grades of “C” or better before admission into the RN program.
