How to Log in to Canvas

1. On the Chipola College Home page, http://www.chipola.edu/ , select the **Login** link at the top right.
2. Select the **Canvas** link.
3. Each Chipola College student has been assigned a **user name** that incorporates their name, student ID and the e-mail address domain @my.chipola.edu
4. **Students** are assigned a **password** that uses part of their SSN and birthdate.

   Username = first initial of first name + first initial of last name + student ID + @my.chipola.edu
   Password = two digit birth month + two digit birth day + FIRST 4 digits of SSN

   Example:

         Student name: Joe User

               SSN: 123-45-6789

          Date of birth: May 22

           Student ID: 99999

   For this sample student:

         Username is: ju99999@my.chipola.edu

         Password is: 05221234

   Use the above example to determine your username and password. (If you have logged in to the campus network in the past and changed your password, use the updated password.)

   If you have trouble logging in to Canvas:
