STA 2023	Scores as listed above.	and	Any course with an MAC prefix completed with a grade of C or better

*Courses must be completed with a grade of C or better.

College Campus Classes

New and re-admission students taking classes on Chipola’s campus or online must submit all documents to the Admissions and Records Office by the application deadline listed in the college calendar. New students accepted into the program will receive an acceptance letter, registration instructions and general college information. Students will be scheduled for and must attend their advising and registration appointment at Chipola.

Continuing students who have maintained enrollment at Chipola do not have to complete another application. However, they must complete and submit a new Course Approval Form each term they enroll, and if applicable, new test scores. Advising and registration appointments will not be automatically scheduled. Students need to check the college calendar for registration dates then report to Room 156 in the Student Services Building.
