

Academic Pathway to:

Advanced Manufacturing and Production Technologies

Certificate

Code: 2259

Length: 600 Clock Hours

For more information contact:

Student Affairs

850-526-2761

Testing: As per FL. Rule 6A-10.040, students enrolled in a postsecondary program offered for career education credit of 450 hours or more shall complete the entry-level basic skills examination (TABE) within the first six weeks after admission into the program or meet the exemptions as stated in the Chipola Catalog. See an advisor for information.

Students with a passing grade on ENC 1101, passing Reading & Math scores on the ACT, SAT or the PERT within the last two years are not required to take the TABE.

COURSE	TITLE	Hours
ETI 0400V	Entry-Level Production Worker	150
ETI 0431V	Production Quality and Assurance	150
ETI 0432V	Manufacturing and Production Processes	150
ETI 0453V	Manufacturing and Production Maintenance	150
TOTAL		600 Clock Hours

Classes are held Monday - Thursday from 7:30 a.m. to 3:30 p.m.

While academic advisors, faculty, and staff provide significant academic planning and related assistance to students, completion of all degree requirements, and the process of monitoring progress to that end, is ultimately the responsibility of the student.
