This certificate is part of the Engineering Technology AS degree program. The 18-credit hour technical core has been defined to align with the Manufacturing Skills Standards Council's (MSSC) skills standards. MSSC skill standards define the knowledge, skills, and performance needed by today's frontline manufacturing workers. Students must maintain a 2.0 grade point average or higher in all courses.

COURSE	TITLE	Hours
EET 1084C	Introduction to Electronics	3
ETI 1420	Manufacturing Processes & Materials	3
ETI 1701	Industrial Safety	3
ETI 1110	Introduction to Quality Assurance	3
ETM 1010C	Mechanical Measurement & Instrumentation	3
ETD 1320	Introduction to AutoCAD	3
TOTAL		18

While academic advisors, faculty, and staff provide significant academic planning and related assistance to students, completion of all degree requirements, and the process of monitoring progress to that end, is ultimately the responsibility of the student.
