<sup>&</sup>lt;sup>1</sup> See the General Education Requirements in the Current Chipola College Catalog.

All first time in college (Fall 2014 and beyond) students are required to successfully complete two years of the same foreign language in high school or two semesters of the same foreign language at the college level before the associate degree is awarded.

While academic advisors, faculty, and staff provide significant academic planning and related assistance to students, completion of all degree requirements, and the process of monitoring progress to that end, is ultimately the responsibility of the student.

<sup>&</sup>lt;sup>2</sup> Common Program prerequisites for all majors in the Division of Agricultural Sciences.

Required for Pre-Veterinary track. Pre-Veterinary majors should also take MCB 2010 & Lab, PHY 1054C and Lab.

<sup>&</sup>lt;sup>4</sup> Students enrolled in AA, AS, or BS degree programs must complete the State of Florida's Civic Literacy requirement. See catalog or contact an Academic Advisor for more information. Requirements: FCLE <u>AND</u> one course from POS 2041 or AMH 2020 or (AMH 2010 beginning Fall 2024).
