<sup>1</sup> See General Education Requirements in the Current Chipola College Catalog.

<sup>2</sup> Prerequisite Coursework should be completed with a grade of "C" or higher.

**Students enrolled in AA, AS, or BS degree programs must complete the State of Florida's Civic Literacy requirement as outlined in section 1007.25(4), Florida Statutes (F.S.). See catalog or contact an Academic Advisor for more information.**

**ALL FIRST TIME IN COLLEGE STUDENTS (FALL 2014 and beyond) students are required to successfully complete two years of the same foreign language in high school or two semesters of the same foreign language at the college level before the associate degree is awarded.**

*While academic advisors, faculty and staff provide significant academic planning and related assistance to students, completion of all degree requirements, and the process of monitoring progress to that end, is ultimately the responsibility of the student.*
