1 See General Education Requirements in the Current Chipola College Catalog.

2 Pre-requisite coursework must be completed with a grade of "C" or better.

3 Required for admission to the College of Medicine; take at Chipola or FSU.

4 FSU requires 6 hrs. of international/diversity courses. If you complete an AA degree before transferring, FSU only requires 3 hrs. of international/diversity coursework.

5 Students enrolled in AA, AS, or BS degree programs must complete the State of Florida's Civic Literacy requirement. See catalog or contact an Academic Advisor for more information.

All first time in college (Fall 2014 and beyond) students are required to successfully complete two years of the same foreign language in high school or two semesters of the same foreign language at the college level before the associate degree is awarded.

FSU requires an Oral Competency Course: SPC 2608 meets this requirement.
FSU requires a Digital Literacy Competency Course: CGS 1060 meets this requirement.

While academic advisors, faculty, and staff provide significant academic planning and related assistance to students, completion of all degree requirements, and the process of monitoring progress to that end, is ultimately the responsibility of the student.
