¹ See General Education Requirements in the current Chipola College Catalog

² Choose from courses in history, social and behavioral sciences, economics, computers, statistics, and accounting.

³ Prerequisites: Must complete with a "C" or higher.

⁴ FSU requires 6 hrs. of international/diversity courses. If you complete an AA degree before transferring, FSU only requires 3 hrs. of international/diversity coursework. Chipola courses that meet this requirement include AMH 2091/2093, ASH 1044, GEA 2001/2002, REL 2300, SYG 1010, and THE 1000.

⁵ FSU requires one Natural Science course with a Lab to be completed before graduation. This is not an admission requirement.

⁶ **Students enrolled in AA, AS, or BS degree programs must complete the State of Florida's Civic Literacy requirement as outlined in section 1007.25(4), Florida Statutes (F.S.). See catalog or contact an Academic Advisor for more information.**

While academic advisors, faculty and staff provide significant academic planning and related assistance to students, completion of all degree requirements, and the process of monitoring progress to that end, is ultimately the responsibility of the student
