2 FSU requires 6 hrs. of international/diversity courses. If you complete an AA degree before transferring, FSU only requires 3 hrs. of international/diversity coursework. Chipola courses that meet this requirement include AMH 2091/2093, ASH 1044, GEA 2001/2002, REL 2300, SYG 1010, and THE 1000.

3 This course is required for chemical, biomedical engineering majors. Environmental engineering may take CHM 1046 with Lab or MCB 2010 with lab.

4 Students must complete these prerequisite courses for admission in preparation for the upper division major with a "C" or higher: MAC 1311, MAC 2312, MAC 2313, MAP 2302, CHM 1045/L, PHY 2048C/L, and PHY 2049C/L.

5 Students enrolled in AA, AS, or BS degree programs must complete the State of Florida's Civic Literacy requirement as outlined in section 1007.25(4), Florida Statutes (F.S.). See catalog or contact an Academic Advisor for more information.

All first time in college (Fall 2014 and beyond) students are required to successfully complete two years of the same foreign language in high school or two semesters of the same foreign language at the college level before the associate degree is awarded.
