Entrance Requirements:

This is a limited enrollment program which requires a FDLE background check and drug screen as part of the application process. All pre-requisite coursework must be completed and all supporting documents on file by the application deadline. The courses in bold may be completed prior to entrance into the program, but must be completed in the designated term. Students unsuccessful in completing one or more courses for any term must submit the re-entry form to the Nursing Department to be considered for re-entry into the program.
