| BSC 2085 & 2085L ² | Anatomy and Physiology I & Lab | 4 | | | |
| TOTAL | | 16 | TOTAL | | 13 |

¹ See General Education Requirements in the Current Chipola College Catalog.

² Required core courses. "C" or better is required (PHY 1053C & 1053L and PHY 1054C & 1054L are recommended for Pre-med students).

³ If student has taken 2 credits of Foreign Language in high school, then choose elective. Check with UCF for recommended electives; if pursuing graduate work, this is important.

⁴ Students enrolled in AA, AS, or BS degree programs must complete the State of Florida's Civic Literacy requirement. See catalog or contact an Academic Advisor for more information. Requirements: FCLE AND one course from POS 2041 or AMH 2020 or (AMH 2010 beginning Fall 2024).

All first time in college (Fall 2014 and beyond) students are required to successfully complete two years of the same foreign language in high school or two semesters of the same foreign language at the college level before the associate degree is awarded.

While academic advisors, faculty, and staff provide significant academic planning and related assistance to students, completion of all degree requirements, and the process of monitoring progress to that end, is ultimately the responsibility of the student.
