1 See General Education Requirements in the Current Chipola College Catalog.

2 Common Prerequisite. Minimum grade of "C" required.

3 For students seeking admission to graduate health-profession programs (Physical Therapy, Occupational Therapy, Medical School, Physician's Assistant). MAC 1131 is highly recommended.

4 Students enrolled in AA, AS, or BS degree programs must complete the State of Florida's Civic Literacy requirement. See catalog or contact an Academic Advisor for more information. Requirements: FCLE AND one course from POS 2041 or AMH 2020 or (AMH 2010 beginning Fall 2024).

PHY 1053C/1053L & PHY 1054C/1054L, if not already completed, are also required during the junior year at UWF; they may be taken at Chipola prior to transfer. UWF recommends that both PHY's be taken at the same institution (both at Chipola or both at UWF).

All first time in college (Fall 2014 and beyond) students are required to successfully complete two years of the same foreign language in high school or two semesters of the same foreign language at the college level before the associate degree is awarded.

While academic advisors, faculty, and staff provide significant academic planning and related assistance to students, completion of all degree requirements, and the process of monitoring progress to that end, is ultimately the responsibility of the student.
