Entrance Requirements

A minimum GPA of 2.5 and passing scores on the FTCE General Knowledge Exam are required for admission into this program. This specialization is also offered at the Gulf Coast Research Education Center in Plant City, FL

All first time in college (Fall 2014 and beyond) students are required to successfully complete two years of the same foreign language in high school or two semesters of the same foreign language at the college level before the associate degree is awarded. Home School students must demonstrate competency through competency testing.

All students entering UF are required to possess a personal computer. Check this UF website (<http://www.circa.ufl.edu/computer.htm>) for a link to specific computer hardware and software configurations for this major.
