

This Associate in Arts degree program is designed for the student who plans to transfer and work toward a degree in Architecture at Florida A & M University.

For additional program information, visit the [FAMU website](#).

Possible employment opportunities for architecture majors include architect (additional education and training are usually required to become registered/licensed in most states), graphic designer, interior designer, industrial designer, urban planner, real estate developer, construction manager.

For more information please visit the [Occupational Outlook Handbook website](#).

*While academic advisors, faculty and staff provide significant academic planning and related assistance to students, completion of all degree requirements, and the process of monitoring progress to that end, is ultimately the responsibility of the student.*

**ACADEMIC PLAN: Associate in Arts Degree**

## Architecture

### Transfer Institution: Florida A & M University

**Code** 1016      **Program Length** 60 credits

#### Entrance Requirements

This is a limited access program. Because this curriculum requires professional courses during the first two years that Chipola does not offer, it is recommended that students contact the Architecture Department as soon as possible to assess available options. The program outlined below is for those students who elect to earn the A.A. degree prior to transfer. Contact the College of Architecture for application deadline and program information.

**All first time in college (Fall 2014 and beyond) students are required to successfully complete two years of the same foreign language in high school or two semesters of the same foreign language at the college level before the associate degree is awarded. Home School students must demonstrate competency through competency testing.**
