

This program is designed for students who plan to earn the Bachelor of Science degree in Business Administration at Chipola College with a concentration in Engineering Management.

Check the [Chipola College](#) website for more information.

Each student must complete significant hours of community service during their coursework on the BSBA. Documentation is required.

Students who plan to pursue a bachelor's degree in business at another college or university should fulfill the AA degree requirements for the chosen transfer school.

Possible area of employment include small business management, personnel management, general manager, supervisor, risk management, & insurance.

For more information please visit the [Occupational Outlook Handbook](#); Accounting; [Administrative Service Managers](#); Accounting, Marketing, and Public Relations Managers; Agricultural Managers; Financial Managers; Food Service Managers; Industrial Production Managers; Health Service Managers; Human Resource Managers; Lodging Managers; Property Managers.

While academic advisors, faculty and staff provide significant academic planning and related assistance to students, completion of all degree requirements, and the process of monitoring progress to that end, is ultimately the responsibility of the student.

ACADEMIC PLAN: Associate in Arts/Bachelor of Science Degree

**Business Administration
Engineering Management Concentration**

Code 1020/4043 Program Length 60/60 credits

Entrance Requirements to the Bachelor of Science program:

To be admitted to the BS program, students must have an Associate in Arts degree or at least 60 semester credit hours of postsecondary education with completion of the Chipola College general education requirement from a regionally accredited institution. Students must have completed the state-mandated business common prerequisites and earned an overall GPA of 2.0 in lower-division coursework.

All first time in college (Fall 2014 and beyond) students are required to successfully complete two years of the same foreign language in high school or two semesters of the same foreign language at the college level before the associate degree is awarded. Home School students must demonstrate competency through competency testing.

All students must complete the required English and mathematics courses with a grade of "C" or higher.
