¹ Check prerequisites.

² Must be completed with a grade of "C" or better. Students must also be eligible for MGF 1106 and ENC 1101 at time of application unless those courses are already completed.

³ Non-credit developmental reading, writing, and/or math courses (including MAT 1033, a credit course that does not count as a Gordon Rule course) may also be required, depending on placement test scores.

⁴ Prerequisite: Successful completion of one year of high school biology or BSC 1005 with a "C" or higher.

⁵ Must choose one course from the following: MAC 1105, MAC 1311, MGF 1106, MGF 1107, STA 2023.

⁶ Choose one of the following: ARH 1000, MUL 2010, THE 1000.

*** Students must write to the Health Care Professions Division, Tallahassee Community College, 444 Appleyard Drive, Tallahassee, FL 32304 or call 850-558-4500 to obtain an application packet. Students should indicate they wish to enroll under the articulation agreement with Chipola College when the application is submitted. The application process should begin at least one year in advance of anticipated enrollment at TCC.**

While academic advisors, faculty and staff provide significant academic planning and related assistance to students, completion of all degree requirements, and the process of monitoring progress to that end, is ultimately the responsibility of the student.
