

This Associate in Arts degree program is designed for students who plan to transfer and earn a degree in Food & Resource Economics in the College of Agriculture at the University of Florida.

Specializations include Food and Agribusiness Marketing and Management; International Food and Resource Economics; and Natural Resource, Environmental Economics, and Policy.

For additional program information, visit the [UF website](#) and [academic map](#).

Possible employment areas for this major include Agribusiness Management, Marketing, or Finance; Government Agencies; Environmental Consulting; or Agricultural Law Preparation.

For more information, please visit the [Occupational Outlook Handbook](#) website.

*While academic advisors, faculty and staff provide significant academic planning and related assistance to students, completion of all degree requirements, and the process of monitoring progress to that end, is ultimately the responsibility of the student.*

ACADEMIC PLAN: Associate in Arts Degree

## Food & Resource Economics

### Transfer Institution: University of Florida

Code 1046

Program Length 60 credits

#### Entrance Requirements

**All first time in college (Fall 2014 and beyond) students are required to successfully complete two years of the same foreign language in high school or two semesters of the same foreign language at the college level before the associate degree is awarded. Home School students must demonstrate competency through competency testing.**

For admission deadlines and GPA requirements: Check UF website.

All students entering UF are required to possess a personal computer. Check this UF website (<http://www.circa.ufl.edu/computer.htm>) for a link to specific computer hardware and software configurations for this major.
