### Entrance Requirements

Check with FSU concerning deadlines. All entering music majors are required to take a placement audition (heard by a faculty jury) in applied music. Students are expected to be prepared to play or sing representative works. ALL students must have a minimum of 4 hours of Applied Music Secondary Piano study. Work closely with your advisor to schedule specific courses for your major.

If the additional foreign language is not taken before transfer, student will be required to take a placement test over the material covered in the first two years before being allowed to take additional foreign language. If the student does not pass, he/she may be denied admission into the program.**
