For more information, please visit the [Occupational Outlook Handbook](#) website.

Entrance Requirements

This is a limited access, limited enrollment program. Students are admitted Fall semester only. Special application required. Deadline February 1.

All prerequisites must be completed with "B" or higher prior by the end of the Spring semester prior to entering in the Fall to enrollment.

Students admitted based on quality of applicant's academic achievement and space available. Transfer students will be selected based on the following criteria: 1) Completion of an AA degree from a Florida public college or state university (with minimum acceptable cumulative GPA of 3.4); 2) completion of required prerequisites with a minimum 3.0 average in prerequisite sciences, and a minimum grade of "B" or better in each prerequisite. Availability of faculty and clinical resources will determine the number of students to be admitted. Students not accepted initially may apply the following fall. Admitted students are required to submit results of a health examination, immunization record, proof of student malpractice insurance, a two-year certification in CPR, and criminal background check.

All first time in college (Fall 2014 and beyond) students are required to successfully complete two years of the same foreign language in high school or two semesters of the same foreign language at the college level before the associate degree is awarded. Home School students must demonstrate competency through competency testing.

FSU requires competency in oral communications for graduation. If students took a speech course in high school or were members of a debate team, they may exempt this requirement. If not, students should take SPC 2608 at Chipola to satisfy this requirement.

FRESHMAN YEAR

1st Semester		Sem. Hrs.	2nd Semester		Sem. Hrs.
ENC 1101 ¹	English Composition I	3	ENC 1102 ¹	English Composition II	3
BSC 2010 & 2010L ²	Int. Principles of Biology I with Lab	4	BSC 2085 & 2085L ²	Anatomy & Physiology I with Lab	4
