

This Associate in Arts degree program is the recommended curriculum for students who expect to transfer and enter the School of Pharmacy at Florida A & M University.

For additional program information, visit the [FAMU website](#).

Pharmacists generally dispense drugs prescribed by physicians and other health practitioners and provide information to patients about medications and their use. Employers include hospitals, clinics, health maintenance organizations (HMO's), nursing homes, federal government, large corporately-owned pharmacies, and personally owned pharmacies.

For more information, please visit the [Occupational Outlook Handbook website](#).

While academic advisors, faculty and staff provide significant academic planning and related assistance to students, completion of all degree requirements, and the process of monitoring progress to that end, is ultimately the responsibility of the student.

ACADEMIC PLAN: Associate in Arts Degree

Pharmacy

Transfer Institution: Florida A & M University

Code 1130 Program Length 60 credits

Entrance Requirements

This is a limited access, limited enrollment program. Check with FAMU for complete application information.

All first time in college (Fall 2014 and beyond) students are required to successfully complete two years of the same foreign language in high school or two semesters of the same foreign language at the college level before the associate degree is awarded. Home School students must demonstrate competency through competency testing.

Students should ensure that all core courses are taken in class in lieu of online options.

2020-2021
